

United by true passion

*EFFFA General Exam Information
Instructor/Guide*

A maximum of 8 candidates will be accepted for fly casting instructor exams (first-come-first-serve-principle). In order to grant a fair and regular exam we unfortunately cannot accept any further candidates. We thank you for your acceptance.

For a guide course the maximum amount of participants is 12.

EFFFA reserves the right to cancel or to move the date of exams at any time without specifying the reasons. If an exam is cancelled or moved the pre-paid examination fee will be paid back. EFFFA is not liable for any other costs or circumstances connected with the cancellation or the change of the date or location of an exam. Please, be sure to have an extensive/combined travel insurance if you have to book flights and accommodation.

Insurance is the candidate's concern.

Please, bring always your bank receipt for the transfer of the examination fee with you when attending an exam.

The EFFFA instructor exam is taken according to the EFFFA certification rules (see below) which have to be followed.

It is not necessary to be an EFFFA member to go for the EFFFA instructor certificate.

After successfully passing the exam one has to join EFFFA in order to obtain the rights to use the name EFFFA, the logos and trademarks.

The annual EFFFA member fee for instructors is EUR 15.-- for the first year and EUR 25.-- for the following years.

EFFFA instructors receive an EFFFA instructor certificate and an instructor patch and benefit from tackle discounts.

If an EFFFA instructor cancels his EFFFA membership or if he is expelled from the association he automatically loses his instructor title and thereby will not be allowed to advertise with it any more in media or on fly fishing related websites.
